

CIMARRON ELEMENTARY SCHOOL

816 Cimarron Street, Houston, TX 77015

(713) 450-8100

To Cherie Kay:

Cimarron would like to thank you for presenting the magic show “Power to Believe” to our students during Red Ribbon Week. The students and teachers truly enjoyed it and were very impressed by the performance. You did a wonderful job at keeping the two programs, kindergarten through second grade and third grade through fifth grade, at the students’ level. The teachers stated that the students were very interested and they were amazed at how you held the students’ attention throughout the performance. Throughout the day, students would stop and make statements like, “That was neat how we could really see the clouds when we would reached for a goal!” Another student said, “We really do have power if we make good choices!” Our students will always remember this magic show and the positive messages it left them with. Thank you again for presenting to our school.

Sincerely,

Cindy Hoey
Counselor
